PILLAR POINT HARBOR CALIFORNIA

CONGRESSIONAL DISTRICT: 12th District, Rep. Tom Lantos; 14th District, Rep. Anna Eshoo

PROJECT DESCRIPTION: Provides for maintenance of a 3,670 foot long West Breakwater and a 4,420 foot long East Breakwater at Pillar Point Harbor, San Mateo County, California.

FISCAL YEAR 03 BUDGET: \$0

PRESENT STATUS: A condition survey and Operation and Maintenance Manual were completed in July 1986 for both Breakwaters. An inspection of the breakwaters was completed in June 1990. Minor settlement was observed on the West Breakwater and corrective measures were taken in August 1996. A FY02 Congressional Budget Add provided funding to evaluate the condition of the Breakwater and make repairs if needed.

FUTURE EFFORTS: Breakwater inspections are conducted annually. Constructing a new channel within the breakwaters to service a planned new local dock is being evaluated in a Feasibility Study under the authority of Section 107 of the 1960 River and Harbor Act.
